Subject: Cessation Order Time Extension Request, Perco Rock, Iron Mines,
S/021/037, Iron County, Utah

Dear Mr. Barlow:

On March 18, 2006, the Division received your request to extend the deadline for the completion of the requirements contained in the Cessation Order issued to Perco Rock on November 2, 2005.

The Division will grant this request for the thirty (30) day extension for your March 18, 2006 deadline to April 17, 2006. After that time the Division will not grant any further extensions. If the permitting process presently being pursued by Mr. Frank Nichols, on your behalf, is not completed by that time the Division will have to consider further enforcement action. The Cessation Order issued in November was issued to Perco and because your company is operating at the site, your company will be the recipient of further enforcement actions taken by the Division. Failure to complete the permitting action within this time frame could result in the issuance of a Failure to Abate Cessation Order (FTACO) to Perco. The issuance of this order carries a fine of \$750/day until the requirements of the Cessation Order has been completed.

We advise you to work with Mr. Nichols to complete his permitting action. A completion of this activity would allow the Division to terminate the Cessation Order.
